

R. STEVIE MOORE

Low Profile of R. Stevie Moore: Improviser, composer, arranger, producer, musical conceptualist, comedy writer, vocal stylist, filmmaker, sketchpad artist, drama example, self-taught instrumentalist and bon vivant, r.stevie moore was born 1952 in nashville TN to famed elvis bass player bob. since '66 rsm has recorded nearly 2,000 songs on over 400 very original homemade albums of alarmingly idiosyncratic variety and styles, often considered a seminal pioneer in the DIY ethic. remaining virtually unknown, he quietly resided in new jersey as curator of his own museum. until now... based back in tennessee. and touring the planet. LOUDLY SHOUTING!

from the official website

R Stevie Moore has been a direct influence on other musicians such as his close friend Ariel Pink (with whom he recently recorded an album under the name Ku Klux Glam) and generations of creative songwriters.
